

Professional Leadership

Instructor: Robert Lovejoy: 803-641-2600 ext125 rlovejoy@acpsd.net

The purpose of this course is to help students develop leadership skills necessary for success in both college and careers through effective communication and problem-solving. Students will develop an understanding of the need for community service as part of their overall civic and professional responsibilities. Through participating in DECA, students will plan, implement and evaluate school and community activities. Students will also expand their business leadership skills through organizing and operating the School Based Enterprise.

Online Requirements:

Schoology: Students will use their Schoology account to access and submit class assignments.

Office 365: One Drive, Email and Microsoft Teams: Students will use their school issued One Drive account for saving class documents.

Remind: Enter this number into your phone: 81010 with the message: @sahsleads

Class Outline:

Grading Policy/Late Work

Summative = 60% of the quarter grade. Formative = 40% of the final grade.

Students with excused absences may request one attempt to retake a summative assessment if they earn a 69 or below for a maximum score of 70. Students will have 2 days after an assessment to request a retake and will be responsible for making arrangements with the teacher to attend mandatory tutoring/study sessions during WIN time/lunch before retaking the assessment.

All assignments must be turned in on the assigned date. **Late work will be automatically penalized -20points and will not be accepted after 4 days.**

Excused absences- Student will have the number of days absent up to 5 days to complete missing work without penalty. Ex. If you are absent 2 days then you will have 2 days to complete your makeup work without penalty. Students needing additional time to complete make up work must make arrangements with the teacher.
