

**North Augusta High School
Office of the Principal**

July 23, 2023

Good afternoon,

This is John Murphy from North Augusta High School with important messages for our students and parents:

- 1. Parents may use parking lot F (behind the visitor stands in Jacket Stadium) to drop off and pick up students. Please see the picture posted on our website and social media. The area is denoted with a green and gold star and is accessed via Jacket Lane.**
- 2. Parents may use Champions Avenue to drop off and pick up students at the student entrance in the English wing. This area is also denoted with a green and gold star. This is the staging location for all private transportation students before school opens daily.**
- 3. In the mornings, it is the request of the NAHS Student Council and the NAHS administration that parents do not use parking lot E to drop off students. This is the student parking lot directly in front of Jacket Arena. Out of respect for our students and their safety, it is our request that parents do not congest this area in the mornings during arrival. This will allow our student drivers to access their parking spaces with more safety and efficiency.**
- 4. In the afternoons, parents may park in the student parking lot E to pick up their students. Because so many seniors have early dismissal, a large number of parking spaces are available for parents to park and wait for their student to visit school.**
- 5. Parents may drop off and pick up students in parking lot A near the main school.**
