Dear Parent:

We appreciate your participation and assistance in the development of the school's Title I Parent & Family Engagement Policy and School-Parent Compact. Final drafts of both documents are included for your information. These two documents were well planned in that the Title I planning team.

- gathered input from parents, staff, and students,
- held a planning team meeting to discuss the suggestions provided on the policy and compact forms that had been sent from parents, and
- used the input to develop a final draft of the school-parent compact and Parent & Family Engagement Policy for our school.

As a reminder, the school-parent compact explains how the entire school community shares the responsibility for improving academic achievement and the way the school and parents build and develop a partnership to help children achieve the State's high academic standards.

The Parent & Family Engagement Policy explains how the school plans to work with parents to review and strengthen parent programs and to describe how the parent can participate in planning these programs.

We value your involvement in your child's education and thank you for taking the time to provide your input on these two documents.

Sincerely,
Callie Herlong
