What Is Schoolology?

Teachers use Schoolology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoolology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

Schoolology makes it easy for parents to stay involved in their children's education.

To set up notifications, select **Notifications** from the dropdown menu in the upper right hand corner.

Setting Up Your Parent Email Digest

The Schoolology Parent Email Digest is a brief summary of your child's activities delivered right to your inbox. Here, you can opt to receive it on a daily or weekly basis.

The screenshot shows the 'Account' settings page with two tabs: 'Notifications' and 'Account Settings'. The 'Parent Email Digest' section is active, showing three settings: 'mail Summary:' set to 'On', 'Repeat:' set to 'Daily', and 'Time:' set to '06:00PM'. A vertical sidebar on the right contains the letters 'E', 'R', and 'T'.
