

Issued 5/12

This administrative rule is adopted to implement the district's Internet .9 (e.2 (t)-2cep9 (t)-.6 (.9 ab9 (l)-2.6 (e)10..9 (l)-2se where appropriate, to the general use of district-owned computer hardware and software.

The purpose of the district's decision to provide Internet access is to allow an expanded opportunity for education, research and professional development by providing access to unique resources and the opportunity for collaborative work. Alteration of the material protected by copyright or other laws will result in disciplinary action against the staff member or student involved.

Student Internet activities will be monitored by the district to ensure students are not accessing inappropriate sites that have visual depictions that include obscenity, child pornography or are harmful to minors. The school district uses CIPA approved technology protection measures to protect students from inappropriate access in addition to monitoring.

The district will provide reasonable notice of and at least one public hearing or meeting to address and communicate its Internet safety measures.

Students, parents/legal guardians, teachers, and staff members should be aware that the district may take disciplinary actions for conduct initiated and/or created off-
