Absences and Late Work

If you are absent, you have as many days as you were out to make up the assignments you missed. After the allotted time is up, it will be considered late.

Work that is not turned in on the assigned due date will receive a 0 in the gradebook. If this is due to an absence, the grade will show as

Absence Policy

If you miss a class for any reason,
here's what to do:

Ask me ASAP what was missed. I
will give you any necessary hard
copies of papers that you need,
and I will chat with you about
when to make up any missed
tests, quizzes, or lessons.
EVERYTHING IS IN
SCHOLOGY.

Turn in any projects or
assignments that were due on the
day(s) you were absent.
