

[Read Across America](#)

Did you know that reading to your child can help them perform better in school? Studies show that parental involvement increases students' reading achievement and educational success.

Read Across America Week is March 4 - 8 , 2024. This year, we want every student to set a reading goal for the week. How many minutes will they read for the day? Think about a reasonable amount of time. It is recommended that beginner readers spend 15 to 20 minutes every day reading. How many minutes will you read with your child to help them achieve their goal?

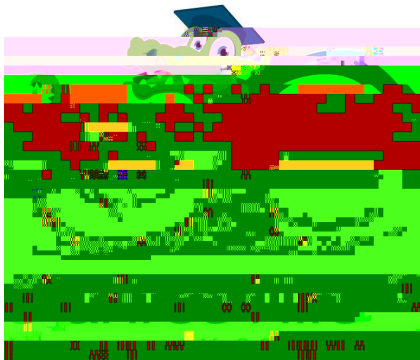

On Monday, March 4, we will start the week with a Reading Celebration Parade to announce our reading goals. Look for more information at the end of February for this special week.

[GVES Yearbook ~ There's a Gator in Every Crowd](#)

It is time to order a school yearbook! Yearbooks are \$30. Order forms are on the web page. The deadline to order a yearbook is March 22, 2024.
