

For each day of the week, choose one item from each column. By the end of the week, you will have completed five items.

For each day of the week, choose one item from each column. By the end of the week, you will have completed five items. The items do not have to be in different rows. When completing your assignment, be sure to include the choice number. **THIS IS IMPORTANT FOR GRADING.**

<p>1. Write at least three puns or jokes using figurative language in each. Keep it safe for school. Explain the figurative language in each.</p>	<p>5. Empathy is important during times of crisis. In an 8-10 sentence paragraph, come up with three ways you can be more empathetic to your family and your peers.</p>	<p>9. Create three mathematics word problems for others to solve using a different figurative language descriptor in each problem. Explain the figurative language in each.</p>	<p>13. We are surrounded by nature, and sometimes we even bring it into our homes. In an 8-10 sentence paragraph, describe the natural elements around your home and how they make you feel. If you don't have any nature surrounding you, how does that make you feel?</p>	<p>17.</p>
